CHARING CROSS STATION AND STRAND, LONDON.

Legado Joaquín Turina. Biblioteca Fundación Juan March

LIT-Cor-61

POST CARD.

CHARING CROSS AND THE STRAND, LONDON.
One of the most interesting and busiest centres in London. The ornamental monument in front of Charing Cross Station is a replica of the original Charing Cross in memory of Queen Eleanor. The Strand, the most fascinating of London Streets, stretches away to the East citywards, and is generously sprinkled with well-known Hotels and Theatres.
