Handbook of Renaissance Ornament, first published in 1969, contains all the pictorial material from the portfolios of Butsch's *Die Bücherornamentik der Renaissance*, originally published by G. Hirth, Leipzig, 1878 and 1880 (the second part with the separate title *Die Bücherornamentik der Hoch- und Spätrenaissance*). The present edition also includes a new Introduction written specially for Dover by Alfred Werner, as well as captions specially prepared by Dr. Werner and based on material in Butsch's text volumes. The Indexes were also drawn up expressly for the present volume.

Handbook of Renaissance Ornament belongs to the Dover Pictorial Archive Series. Up to ten illustrations from this book may be reproduced on any one project or in any single publication free and without special permission. Wherever possible include a credit line indicating the title of this book, author and publisher. Please address the publisher for permission to make more extensive use of illustrations in this book than that authorized above.

The republication of this work in whole is prohibited.
